THE COMPANY

Oswal Extrusion Limited is mega project of Flexible Packaging started by Champalal Group in 2007. Current production capacity is 18,000 Tons/Annum.

Our confidence is our buyer's trust in our quality. Our Process is approved by ISO 9001:2008, BRC, ISO 18001:2007, 14001:2015, 9001:2015, Kosher certification.

Looking Ahead: It's where the crystal ball normally comes out and lofty predictions are generally made. At Oswal, however, the future is not what the company is going to do. We work with a belief that the company is already doing that would bear fruit on at a later date.

In other words "**The future has already began**".

It is our objective to attain the cost leadership by focusing on achieving maximum operational efficiency and best customer satisfaction which in turn help our partners to grow and enjoy the benefits in years to come.
